Blurb for Four Thought:

Bird-a-thon

It's that time of year. Use your passion for birds to raise money for Region Four. This year it will be held May 5-7, 2017. As we have in the past pledge sheets will be passed around at the Regional Interpretive Workshop, but if you can't make it to the workshop you can still download the pledge sheet and get pledges in your area. Get out and bird either on your own or put together a team. No List is too small. No need to collect money. The Ways and Means Committee will send out pledge reminders for people to send in their donations. The State/Province that finds the most bird species in these 72 hours will receive the Golden Binocular Trophy at next year's conference. If you currently are in possession of the trophy or have any questions please contact Renell Roebuck at [rroebuck@summitmetroparks.org](mailto:rroebuck@summitmetroparks.org). See Region 4 website for more information.
