

Ontario Parks: Creative Design & Content Development for an Outdoor Education Discovery Program

Ontario Parks is requesting proposals from interpretive/outdoor education and design specialists to provide writing, program development and design services for the development of an interpretive/experiential outdoor education type program for Ontario Parks, which will include the following components: program outlines for staff-led interpretive/outdoor education programs, introductory and supporting materials, program evaluation templates, and a staff training agenda, as well as “Junior Naturalist” type self-use activity books. The components are to be piloted during the 2015 operating season, with a full launch in 2016.

Interested proponents are encouraged to register and apply before May 1st, 2015 via: <https://ontariotenders.bravosolution.com/esop/nac-host/public/web/login.html> (OSS No. 00486396)
